Here are some tips for the smoothest order:

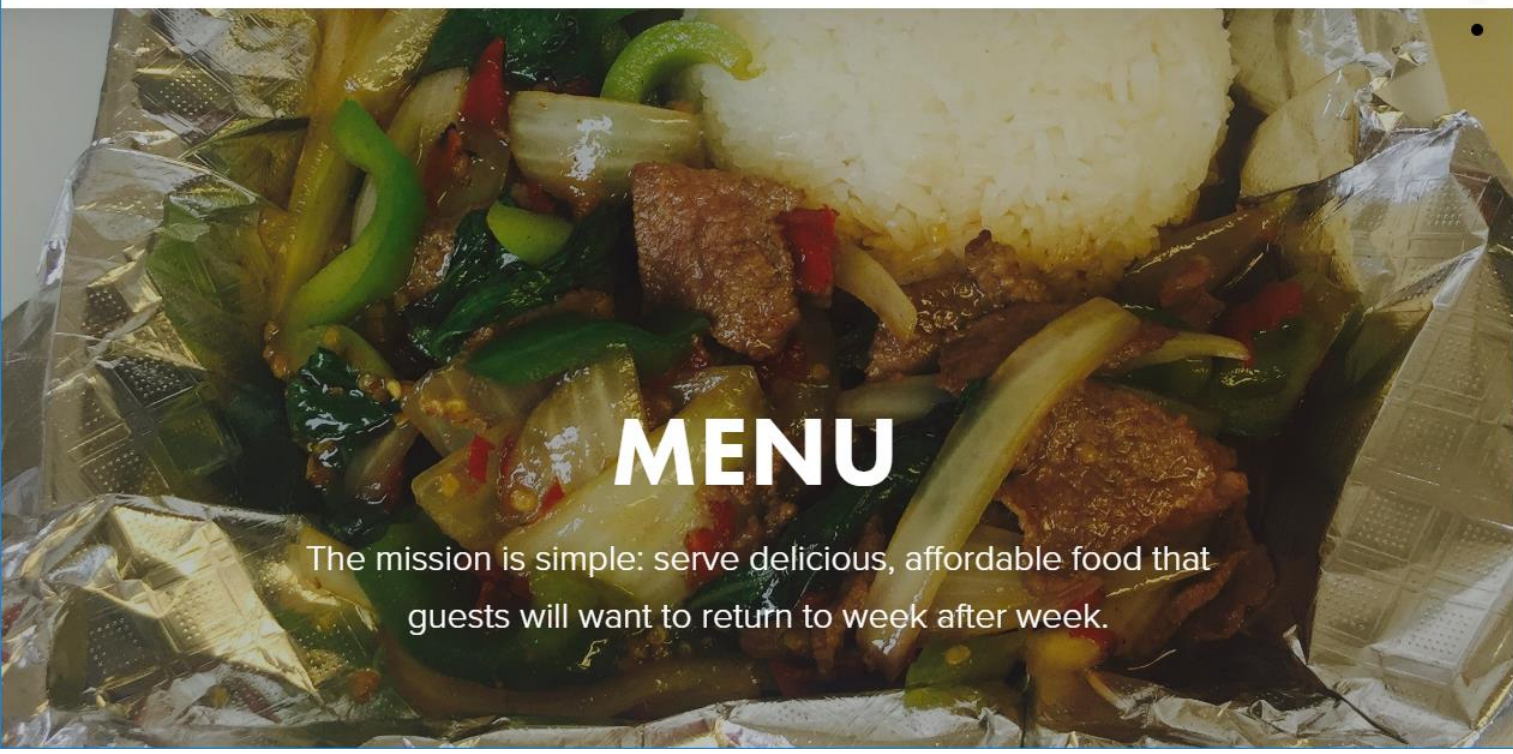

1. **Figure out what you want from the online menu found below.** The "P" + "number" is the easiest to communicate.
2. **Decide which meat you would like.** Chicken, pork, beef or shrimp. Note that Shrimp is an additional \$2.00 charge. Any combination of the meat is acceptable, as is vegetarian.
3. **Decide the spice level.** All "P" meals can be ordered with mild, medium, hot, and Thai hot. All curries start at mild then go up from there.
4. **Choose your sides.**
5. **Call it in!** For example, "I would like a P2 with Chicken, mild." Be sure to ask how long the wait is. We will let you know approximately how long it will take.
